Double windshields coach is a thoughtful combination of design, technology and workmanship that offers exceptional comfort to driver and passengers. It is the maximum expression of quality, safety, reliability, intelligent control, high efficiency, catering to the market demands with its strong personality and visual impact.

DOUBLE WINDSHIELDS COACH

SPECIFICATION: BJ6122 DOUBLE WINDSHIELD

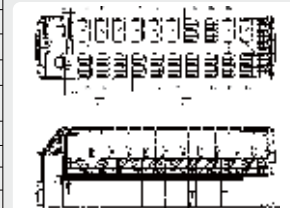

MAIN SPECS	Model and body structure	Semi-monocoque, Flat floor	
	Product model	BJ6122D	
	Exterior dimensions (mm)	12000×2550×3790	
	Wheelbase (mm)	6000	
	Max. gradeability (%)	≥30%	
	Luggage compartment (m ³)	9.5	
Engine parameter			
ENGINE	Model	WEICHAI WP10.375	
	KW(PS)/rpm	375HP/2200	
	Torque	1460/1200~1600	
	Displacement /L	9.726L	
	Emission	Euro III	
Chassis specification			
CHASSIS SPECS	Transmission	Manual transmission: ZF6S1610BO	
	Retarder	Electromagnetic retarder	
	Front axle	6.5T Front axle (oil hub)	
	Rear axle	13T Rear axle (oil hub)	
	Clutch	SACHS φ430clutch	
	Steering	BOSCH integral power steering	
	Braking system	Dual-circuit air braking; Front & Rear disc brake; WABCO ABS; Automatic slack adjuster	
	Suspension system	Air suspension, F2 & R4 bellows	
	Fuel tank capacity	600L / 400L	
	Tire & Rim	295/80R22.5, Alloy wheel rim	
Body specification			
BODY	Passenger door	Single pneumatic outer swing door, remote control	
	Emergency door	Upgrade large size emergency door	
	Luggage compartment	Manual / pneumatic up-sliding door	
	Top windshield	Two roof hatch, with ventilation	
	Exterior rear-view mirror	Electric rearview mirror (with defrost), double rabbit ear style	
	Driver seat	Adjustable air bag driver seat, 3 points safety belt	
	Guide seat	High back guide seat, 3 point safety belt	
	Passenger seats	High quality fabric leather seats	
		Two / Three points safety belt, sliding, foot rest, adjustable backrest, Book net	
	Sunshade	Manual / electric sunshade	
	Light and signal system	LED strip lamp, LED step light	
	Visual and audio system	Interior air lamp (Davit lamp) with Daytime running lights	
	CCTV System	Front 22", Mid 19" lifting TV, Hard disk player	
	Air conditioner(A/C)	5 Camera, Hard disk memory	
	Heater	Songz 32680 Kcal/h (High temperature type), back compressor	
	Battery system	Wall-mounted independent heater	
	Fire fighting system	24 V DC/195 Ah x 2, Maintenance free, Double 150A dynamotor	
	Accessories	Internal fire extinguisher 5KG*1; Automatic fire extinguisher device in the engine compartment;	
		Electric defroster, refrigerator, electronic clock, anti-theft safety hammers, fabric Side curtain, USB interface	
	Other exclusive configuration	Central lubrication system	
TPMS (Tire Pressure Monitor System)			
Engine compartment temperature alarm device			

 Seating layout ▶ 38+1+1

 Seating layout ▶ 45+1+1
